COVID-19 OPERATIONS UPDATE

The Council met on Monday night for our regular meeting and voted to begin the process of gradually re-opening our church facilities. Beginning October 1st, the Fellowship Hall will be available for groups of 25 or less to use for meetings and we will be opening the Lower Fellowship Hall for our AA groups to resume meeting. At this time we will be requiring everyone who enters the church facilities to wear masks and maintain physical distance of 6 feet or more. While we know that food and coffee are an important part of everyone gathered at Grace, for the time being, we are asking all groups to refrain from serving any food or drinks. If your group is interested in using the Fellowship Hall to meet, please contact the church office to get your event on the church calendar.

The Council is also planning to launch a survey in the next couple of weeks to gauge everyone's level of comfortability in re-gathering for in-person worship service in the Sanctuary. We are really hoping to get everyone to participate in the survey as these responses will be instrumental in making final decisions about the type and numbers of services that we might offer. Please be on the lookout for the survey and take a few moments to share your feedback.

Finally, the Council would also like to thank everyone for your prayers and support over the past several months.
